Event Radio Rentals, Inc. is a full service communications company offering everything from renting just a few walkie talkies for one night to outfitting 1000+ 2-way radios or NEXTEL push to talk radios for large scale events. Event Radio Rentals focuses on the latest temporary on-site communication solutions for all different types of industries. Some of the industries served are staging and events, trade shows and conventions, government training and disaster relief, parades and fairs, religious outings and company picnics, plant shut downs and walkthroughs, construction and demolition jobs, security and nightlife.

Renting everything from traditional walkie talkies and NEXTEL radios to netbook computers and broadband wireless modems for high speed internet connections on the go, we provide price breaks for weekend, weekly, as well as deeply discounted long term rentals of 30+ days or more. In addition, lease to own purchase contracts are available for film, stage and T.V. production companies as well. Call for our special Made in NY "Production Company Rate" available to bona fide TV/Movie/Film production entities.

Event Radio Rentals Now Rents Netbooks

Acer Aspire One Rentals

Events Radio Rentals is happy to announce that we have added Netbooks to our broadband rental fleet. We have the Acer Aspire One available now.

Acer redefines what it means to stay connected on the go with its ultra portable netbook.

Weighing in at only 2.2 pounds, the Acer 8.9" Netbook has a built-in AirCard that provides the ultimate in mobile freedom - fast, reliable Web access anytime, anywhere on AT&T's super-fast 3G network. [Netbook Rentals.](#)
